DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents****Non-Responsive Amendment (Bonafide)**

The reply dated 9/1/2006 is not fully responsive to the prior Office action because of the following omission(s) or matter(s):

Applicants did not properly indicate which of the claims read on the elected species are readable upon the elected species in accordance with MPEP § 809.02(a) (e.g., see 12/21/06 Restriction Requirement, underlined portions of paragraphs 16 and 17; see also 8/23/06 non-compliance letter). Applicants state, "The claims as amended herein read on the elected species" in the 9/21/06 Response. However, this appears to be in error. For example, the substituents listed in claim 46 do not read on Applicants' elected species (e.g., see specification, page 124). Applicants are required to provide "accurate" information.

The examiner also notes that the appropriate fees must be paid to extend the time period for response.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE(1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to Examiner Jon D. Epperson, Ph. D., Art Unit 1639, whose telephone number is (571) 272-0808.

Any inquiry of a general nature or relating to the status of this application should be directed to the Technology Center receptionist whose telephone number is (571) 272-1600.
